

Press Release for Immediate Release

SIMVENTIONS AWARDED \$52M 5-YEAR STRIKE WEAPONS SYSTEM ENGINEERING SUPPORT CONTRACT!

Fredericksburg, VA., 2-13-2019: On February 11th, 2019, the Navy awarded SimVentions with a five-year \$52M prime contract to provide total systems engineering, software development, and test and evaluation capabilities to the Naval Surface Warfare Center Dahlgren Division (NSWCDD), Weapons Control and Integration Department (H), Strike Weapons Systems Division (H50), as well as to various Naval Sea Systems Command (NAVSEA) and Naval Air Systems Command (NAVAIR) programs and projects. Projects include systems, software, cybersecurity, and test engineering, along with system analysis and modeling and simulation of a variety of weapons systems, weapon control systems, and warfare systems, most notably the Tomahawk Weapon System (TWS). SimVentions will also perform Requirements and Interface Management; Command, Control, Communications, Computers, and Intelligence (C4I); Cybersecurity Engineering; In-Service Systems and Fleet Support; Software Engineering Analysis, Design, and Development; System/Hardware Testing and Analysis; Configuration Management (CM); and System and Software Process Improvement.

“Our corporate motto is “Your Success is Our Honor™” and I find it amazing that by simply striving to live that out, day-in and day-out, reflecting it in every large and small task that we are blessed to perform – good things always seem to happen! We first began supporting Strike Weapons capabilities back in the 2010 time frame. We feel so blessed and excited to now be in a unique position to increase our support of current and future Strike Weapons capabilities...with the sole purpose and focus of making our NSWCDD customers, and ultimately our warfighters, highly successful,” says SimVentions CEO, Larry Root. “Our employees’ exceptional gifts, talents, and hard work, alongside our commitment to God, our country, and our customers, continues to bless and surprise us every day.”

SimVentions is always looking for qualified candidates across all disciplines to work in the Fredericksburg, VA; Dahlgren, VA; Charleston, SC; and Virginia Beach, VA areas. Apply online at <https://www.simventions.com/careers/>.
