GCubed Enterprises, Inc. Awarded U.S. Army Audit Agency Contract

Stafford, Virginia –

The U.S. Army Audit Agency recently announced GCubed Enterprises, Inc. a successful awardee for their SharePoint Support Contract.

Dr. Les Deshield, CISM, CRISC, and former CTO for the Center of Army Analysis (CAA), Ft. Belvoir complimented GCubed, stating that they have provided the best IT Support Service since the requirement began years ago. They (GCubed) have been very responsive and a great partner. When he transitioned from CAA to the U.S. Army Audit Agency, he reached out to GCubed to provide service to his new organization.

Mr. Vernon Green, CEO of GCubed, is proud of the level of service his team has provided and attributes his company's success to its high level of expertise and true partnership with its customers.

About GCubed Enterprises, Inc.

GCubed is a veteran-owned, 8(a) business with defense, civilian, and commercial past performance. Areas of expertise include network engineering, cybersecurity, and program management. The company is headquartered in Stafford, Virginia, with contractors across nine sites in the greater Washington, D.C. metropolitan area. www.gcubedinc.com

About the U.S. Army Audit Agency

The U.S. Army Audit Agency's mission is to serve the Army's evolving needs by helping senior leaders assess and mitigate risk, and by providing solutions through independent internal auditing services for the benefit of Army soldiers, civilians, and families. <https://www.army.mil/aaa>
